

Cambodia's new cabinet is steeped in nepotism

Seven of the 10 new deputies are linked to each other — and Hun Manet — by bonds of business, marriage or blood, an RFA analysis has found.

KEY TO THE WEB OF NEPOTISM

- Hun Manet and his blood relatives
- Deputy prime ministers
- Government officials
- Relatives and/or business associates of the new deputy prime ministers
- Family or clan groups
- A "red thread" connecting most of the people shown back to Hun Manet
- Family relationships/ties
- Former tie
- Business enterprises
- Business enterprises serving as "red thread" connections
